TEMPORARY DEBRIS STAGING AND REDUCTION SITES PRE-QUALIFICATION

I. Purchasing Instructions

A. Award Description

Vendors are deemed prequalified to participate in future pricing competition for the launching, operation, maintenance and closure of a temporary debris staging and reduction site(s) (TDSRS) to include all the necessary labor, materials, equipment, supplies and associated activities resulting from a declared emergency. The award to one vendor for a specific period or individual action does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases.

B. Quotation Directives

- **Cone of Silence**

Pursuant to Section 2-11.1(t) of the County Code, all ITB's are subject to the Cone of Silence.

- **Preferences** (Re: ITB Paragraphs 1.10, 2.2 and 2.25) except for federally funded entities.

- **The Bid Preference shall be applied first** to the offers received from certified Micro/SBE vendors. A Micro/SBE vendor must be certified by the Sustainability, Planning and Economic Enhancement Department for the type of goods and/or services the vendor provides in accordance with the following Commodity code(s) (445, 031-55). The following link may be accessed to verify if a firm is a Micro/SBE vendor

For contracts valued up to \$1 million, an SBE Preference of 10% is applied (for the purpose of evaluation ONLY). If the SBE is the responsible, responsive low vendor following the evaluation process, the price that the county will pay the awarded firm is the original price offered (excluding the 5% or 10% evaluation factors).

- **Local Certified Service – Disabled Veteran** should be applied in accordance with Section 2-8.5.1 of the Miami-Dade County Code, a Local Certified Service Disabled Veteran Business Enterprise (VBE) shall receive a bid preference of 5% of the price bid (for the purpose of evaluation ONLY).
